

AMERICAN FOUNDATION OF SAVOY ORDERS

SEVENTH ANNUAL CHIVALRY AWARD THE NEW YORK FOUNDLING

The Savoy Foundation's 2019 Chivalry Award is presented to **The New York Foundling** in recognition of the 150th anniversary of its founding by the Sisters of Charity and its dedication to community service, helping children and their families cope with the challenges of caring, raising and enriching the lives of disadvantaged children. The New York Foundling is an outstanding and nationally recognized institution which has served the City, the Empire State and the nation. Its comprehensive spectrum of community support services is designed to empower the vulnerable children and families of New York. While social situations and the approach to its mission have evolved, The New York Foundling continues to share its founders' belief that no one should ever be abandoned, and that all children deserve the right to grow up in loving and stable environments.

Since 2011, the Savoy Foundation has made grants to two programs of the New York Foundling: The *Nursery Crisis Center* and *Camp Felix*. The New York Foundling's Crisis Nursery is a one-of-a-kind space where children can safely stay for up to 21 days while their parents work through a short-term crisis. While children are staying there, specially trained staff of child care workers, social workers, nurses, and teachers make every effort to maintain normalcy. Camp Felix provides nearly 200 children in their care with an overnight camp experience each summer. For many of their campers, this week-long adventure changes their outlook on life, their future, and their sense of pride. Camp Felix is the only overnight camp for children in the child welfare system.

The Savoy Foundation's **Chivalry Award**, was inaugurated in 2013. The Chivalry Award is a humanitarian award that celebrates the vision and endeavor of an individual or organization, whose charitable work, public service and exemplary conduct have contributed significantly to the betterment of the community and the world. Honorees are selected in recognition of a commitment to public service, generosity and civility, which reflect the noble and ancient chivalric traditions of the Dynastic and Hereditary Orders of the Royal House of Savoy and its millennial history of charity.
