Ballo di Savoia 2022

The Grand Master

Geneva, December 17, 2022

Dear Friends,

I am delighted to have this opportunity to welcome all the Knights and Dames of the Savoy Orders and their guests on this very special occasion - the 25th Anniversary of the Ballo di Savoia. My wife, Princess Marina, my son, Prince Emmanuel Philibert and my daughter-in-law, Princess Clotilde, all join me in expressing our sincere gratitude for your support of the philanthropic work of the Savoy Orders and the Savoy Foundation through your participation this evening. The success of this Ballo will help ensure that the Foundation will continue its charitable, educational and humanitarian work, this year in particular, to aid poor, sick and refugee children.

This occasion celebrates the jubilee of the 450th anniversary of the Dynastic Orders of the Royal House of Savoy with the founding of the Order of Saints Maurice and Lazarus which was established in 1572, joining the Order of Saint Lazarus and the Order of St Maurice under the aegis of the House of Savoy. For this evening, we are presenting each guest with a commemorative medal marking this historic milestone.

And thank you all for that you have accomplished in just a few short years. I am indeed proud of what you are doing, especially in these difficult economic times through which so many have suffered. Your generous and continuing support of the Savoy Orders means more than ever before. The hard work and dedication of the leadership of the American Delegation of Savoy Orders and of the Savoy Foundation set an inspiring example as the Savoy Orders continue to aid the poor, the sick and the needy.

My wife and I would have been happy to join you this evening, but circumstances prevented that from happening. We hope to be able to participate personally in the future. Nevertheless, please know that our thoughts are always with you and that we all send you our sincere best wishes for a blessed and peaceful Christmas and for a healthy and happy New Year.

It is a great pleasure for me to welcome you to the 25th Annual Ballo di Savoia. I join with His Royal Highness, Prince Victor Emmanuel of Savoy, the Grand Master of the Savoy Orders, in thanking you for making this gala event a great success in support of the philanthropic goals of our Orders.

Dear Friends:

It is a pleasure to send greetings to everyone gathered for *Ballo di Savoia*, the annual charity ball of the American Foundation of Savoy Orders.

New York State is fortunate to be home to fraternal associations that perform civic and charitable activities benefiting our people and communities. Founded in 1993, the American Foundation of Savoy Orders upholds a tradition of service and support for medical, educational, and humanitarian work carried out by delegation members throughout all 50 United States.

We appreciate the efforts of all Savoy Orders delegations around the globe and across America, including many acts of philanthropy on behalf of our veteran communities, hospitals, and agencies that provide relief for children, the ill, and the underserved. Tonight, friends and supporters come together in a spirit of generosity to help continue your mission, and I join in applauding your fellowship and service to humankind.

Sincerely,

Dear Friends:

It gives me great pleasure to welcome everyone to the 25th annual Ballo di Savoia, hosted by the American Foundation of Savoy Orders.

New York stands for the ideals of equality, fellowship, and justice, and we are grateful for those organizations that exemplify and advocate for these principles throughout the five boroughs. Established in 1993, the American Foundation of Savoy Orders honors these values and expands upon the great legacy of the Dynastic Orders of the Royal House of Savoy by providing humanitarian and life-sustaining aid in the form of grants.

This organization understands that we cannot address our city's most pressing issues one at a time; we must all come together and do our part to multitask in finding solutions. For decades, it has served as a proud leader and community pillar, using a coordinated and holistic approach to promoting equity and opportunity in every sector, from educational scholarships to disaster relief. In particular, I am pleased to highlight the Savoy Orders Piggott Scholarship Fund, which provides \$2,500 scholarships to deserving students majoring in the Humanities and Fine Arts or International Studies. This scholarship has lifted up promising new talent and underscored not only the power of the arts but also the importance of supporting every person's dreams. As you all gather to celebrate this great organization, I am proud to commend the American Foundation of Savoy Orders for its efforts to build a better, brighter city for all.

On behalf of 8.5 million New Yorkers, please accept my best wishes for a grand and wonderful event.

Sincerely,

AMERICAN FOUNDATION OF SAVOY ORDERS

December 17, 2022

Confreres, Friends One and All,

Benvenuti a tutti! And a Happy Anniversary to the American Foundation of Savoy Orders! Indeed, this is another great year for our American Delegation of Savoy Orders and our Foundation. It is special in that we welcome His Royal Highness Prince Emmanuel Philibert of Savoy once again as our honored guest. We are equally honored to share in a most generous salute to Their Royal Highnesses Prince Victor Emmanuel and Princess Marina, as well as our Grand Chancellor Johannes Niederhauser, and Savoy Orders' Coordinator for the Americas, Dr. Sergio Pellecchi, for although they are not with us physically, we know they are with us with fond memories of their past presence for our great annual *Ballo di Savoia*.

The *Ballo di Savoia* is our Savoy Orders' "show case" event and, as such, it evidences an evening of social activity at its highest level of formal attire and conduct, and one that follows our solemn Investiture and Promotions, and even a National Council meeting planned earlier in the day. What a great day in the life of the American Delegation and our Foundation. We rejoice in that we once again can be together in person, for that I am deeply grateful to God!

It has been my pleasure to serve as the 2022 *Ballo* Chair and I thank the entire Dinner Committee of our Sponsors, Grand Patrons, Patrons, and Benefactors, and all those who have made this a financial and social success. The *Ballo* brings about a weekend of fraternal activities, camaraderie, friendship and for that we are all grateful, for we can socialize at the Lotos Club on Friday, attend the Investiture, celebrate "royally" on Saturday this day and, tomorrow, Sunday, we honor our faith and beliefs at the historic and beautiful Cathedral of St. Patrick.

In a special way, I thank the past leadership of our former American Delegate, Knight Grand Cross Carl Morelli, Esq. who was the Chairman of the American Foundation of Savoy Orders for so many years and for his collaborative efforts. I also thank our Grand Officer Pasquale Menna, Esq. who assists immeasurably with the activities these days, especially for our Cathedral activities. Most of all, I thank Dama di Gran Croce Larissa Van Duser, who has been and continues to be a stellar advocate for making this event perfect in every way; for without her attention to every detail, we might not be enjoying and savoring the *Ballo* and weekend as much as I know we all will this very night

For tonight then, at the *Ballo di Savoia*, let us enjoy the company of one another, let us feel proud and honored for who and what we are by way of the honors conferred; and may we thank our *Ballo* Committee members and friends who have been generous in their own support of our Journal and their very presence. Again, enjoy the evening and let us look to the days ahead when we celebrate the festivities of a Blessed Christmas and a Happy New Year!

AMERICAN FOUNDATION OF SAVOY ORDERS

December 17, 2022

My Dear Friends,

This year marked my twenty-fifth anniversary as Delegate for the Dynastic and Hereditary Orders of the Royal House of Savoy in the United States of America, and third decade on the Board of Directors of the American Foundation of Savoy Orders, Incorporated. These milestones provided a perfect moment to step aside as Delegate and resign as Foundation Chairman of the Board, both of which I did earlier this Fall, although I shall remain a Director on the Board.

It has been an extraordinary experience to lead the Delegation and to get to know so many splendid members of the Savoy Orders while presiding over the Foundation's charitable donation programs which totaled over a million and a half dollars during my tenure, increasing from our first grant of \$1,000 in 1995, to \$400,000 in contributions and program expenses during our fiscal year ended August 31, 2022. It has also been my privilege to increase membership in the Savoy Orders across the United States, and to lead the establishment of our premier annual charity gala, the Ballo di Savoia in New York City now in its 25th year, the Festa della Primavera, the Savoy History Series, the Savoy Orders Pigott Scholarship Fund, the American Delegation and Savoy Foundation web sites and You Tube channel, the Notte di Savoia in Los Angeles, and to launch the Foundation's status as a Non-Governmental Organization at the United Nations.

I am also very pleased that the Grand Master, H.R.H. Prince Victor Emmanuel of Savoy, accepted my recommendation to appoint my long serving Vice Delegate, Cav. di Gr. Cr. Joseph Sciamè, to take over my duties as Delegate and continue his role as Savoy Foundation President. I have great confidence in him and know that much will be accomplished under his leadership to carry on the great traditions and philanthropic goals of the Savoy Orders. In closing, I thank all I had the pleasure to collaborate with as well as our active members, for your confidence in my leadership and your faithful and generous support of my efforts to expand and promote the Delegation and the Foundation, both of which have a brilliant future.

With all my best wishes and personal regards to you and your families for a great Christmas and a healthy New Year, I remain as always,

Sincerely yours,

Carl J. Morelli

Chaplain of the American Delegation of Savoy Orders

December 17, 2022

My Dear Sisters and Brothers in Christ.

My prayers and heartiest good wishes on this night of joy, praise and witness to all associated with the American Foundation of Savoy Orders and the 25th Ballo di Savoia 2022 and the 450th Anniversary of the founding of the Order of Saints Maurice and Lazarus.

With a zeal, commitment and dedication that spans a millennium, you, the women and men of the American Foundation of Savoy Orders, through charitable good works and daily witness to Faith, stand in stalwart defense of the Gospel of Jesus Christ and the formation of conscience and moral values based on the words and actions of Jesus, His Apostles, and the Magisterium of the Church.

Every day, in schools, children's hospitals, refugee camps, disaster relief stations, veterans' programs and so many more places in America and around the world where people gather to seek hope and healing, you give, in the words of Pope Francis, "a hope which liberates us from the forces pushing us to isolation and lack of concern for the lives of others."

Tonight and always, may the Holy Spirit continue to guide us all as we keep Our Lord Jesus as our primary focus.

With kindest personal regards, I am

Sincerely in the Lord,

The American Foundation of Savoy Orders (Savoy Foundation), as part of its "Chivalry for Children's Causes™" mission, granted \$150,000 to The New York Foundling's Summer Camp for inner-city foster care children from proceeds raised through its "Ballo di Savola" (Royal Savoy Ball) Winter Charity Gala in New York on December 11, 2021. NY Foundling CEO and President Melanie Hartzog and Development Vice President Kirkley Strand accepted the Savoy Foundation's grant check on July 18, 2022 at The New York Foundling headquarters.

On July 18, 2022, the American Foundation of Savoy Orders presented a record grant of \$150,000 to The New York Foundling's Summer Camp Program for inner-city foster care children from funds raised from the Foundation's 2021 Ballo di Savola (Royal Savoy Ball) Winter Charity Gala.

More than 200 patrons, benefactors and guests gathered to support the Savoy Foundation's 24th Annual white-tie dinner-dance on Saturday, December 11, 2021 in New York City at the Metropolitan Club. The Savoy Ball of New York continues a thousand-year tradition of goodwill and charitable giving under the patronage of the Royal House of Savoy. Their Royal Highnesses Prince Emmanuel Philibert of Savoy and Prince Dimitri of Yugoslavia were honored guests at the event that raised funds in support of the Savoy Foundation's philanthropic mission - Chivalry for Children's Causes - and the event's primary beneficiary - The New York Foundling Summer Camp Program for inner city foster-care children.

AMERICAN FOUNDATION OF SAVOY ORDERS CHIVALRY FOR CHILDREN'S CAUSES

The charitable, educational and humanitarian work of the American Delegation of Savoy Orders is accomplished through the American Foundation of Savoy Orders, Incorporated. Founded in 1993, the American Foundation of Savoy Orders, Incorporated, is a United States not-for-profit tax-exempt 501(c)(3) charitable organization whose philanthropic work in North America and around the world is generously supported by the members and friends of the American Delegation of Savoy Orders.

The Foundation was formed primarily to provide support - for hospitals and relief agencies and assistance for the poor, sick, and elderly. These charitable and humanitarian purposes are in keeping with the centuries old hospitaller traditions of the Order of Saints Maurice and Lazarus. Contributions to the Foundation and its charitable projects are tax deductible to the extent permitted by law.

In 2005, the Foundation became a Non-Governmental Organization(NGO) in Roster Consultative Status with the Economic and Social Council of the United Nations. This important role enables the Foundation to participate in the medical, poverty and educational work of the United Nations. It also provides an excellent opportunity to form strategic alliances with the international philanthropic community with which the Savoy Orders are already active.

In 2019, the Foundation adopted a focused new mission statement: Chivalry for Children's Causes. Major donations this year include: Caterina' Club on the West Coast which feeds 5,000 children each night in Los Angeles and Orange Counties, to Mercy Ships, a Texas based charity that funds surgeries for children in Africa, and to the NY Foundling that provides summer camp experiences for foster care children in the tri-state area.

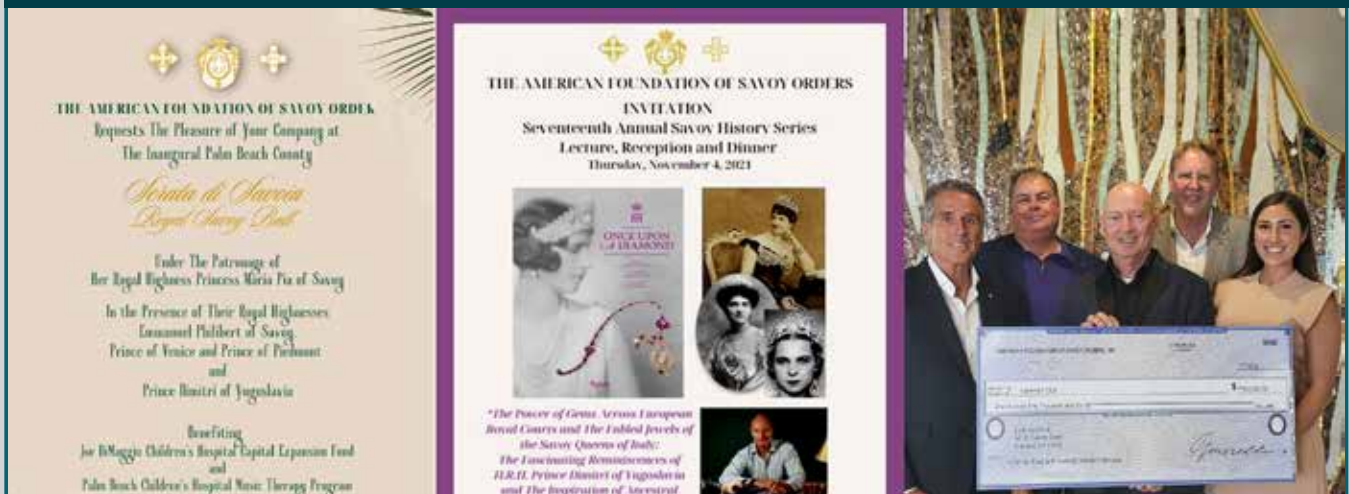

While deeply rooted in the past, the Savoy Orders are actively engaged in the challenges of modern society. The Savoy Foundation undertakes humanitarian, hospitaller and charitable projects and initiatives across North America and abroad, particularly in healthcare, disaster relief and educational programs. Members of the Royal Family actively support, attend and lend their names through formal patronage of these worthy events and causes.

Proceeds from the Foundation's events are donated to hospitals, orphanages and other humanitarian causes. These events provide valuable support enabling the Savoy Foundation to carry out its charitable work to aid children's causes, hospice care for the poor, sick and infirm, and to produce the annual Savoy History Lecture Series focusing on the history of Italy and the Savoy dynasty.

LOS ANGELES (PRWEB) AUGUST 25, 2022

On August 18, 2022, the American Foundation of Savoy Orders presented a record grant of \$150,000 to Caterina's Club, a Southern California based charity aiding homeless children with meals and housing, from funds raised from the Foundation's 2022 "Notte di Savoia" Charity Gala in Los Angeles at the Jonathan Club. More than 170 patrons, benefactors and guests gathered to support the Savoy Foundation's fourth annual black-tie dinner dance. The event's primary beneficiary for the past four years - Caterina's Club - was founded by Savoy Knight Bruno Serato and feeds over 5,000 homeless children in Southern California every day.

Daniel J. McClory, Savoy Foundation Board Member and Event Co-Chair, presented the grant to Chef Bruno Serato, founder of Caterina's Club, with Savoy cavalieri and event patron Sinan Kinatsiz and Patrick Mahoney and with event patron Dennis Murchison.

6:00 PM - Presentation

The Savoy Foundation sponsors the Savoy History Series, an annual presentation given by distinguished scholars and masters in their respective fields and sometimes by members of the Italian Royal Family on a topic related to the House of Savoy, and the history of Italy, Italian literature, history, art, music, science and impact on other countries. A wide array of extraordinary lectures and dynamic conversations featuring topics in Italian history and highlights from current exhibitions, film discussion and musical performances related to Italy and the Savoy dynasty provide interesting insights from a unique perspective. Savoy History Series is a program of the Savoy Foundation.

On January 6, 2023, the Four Arts Museum of Palm Beach, in partnership with the American Foundation of Savoy Orders, will present a repeat of the Savoy History Series lecture which was originally presented by H.R.H. Prince of Yugoslavia at the Knickerbocker Club on November 4, 2021. The presentation's main title is: "The Power of Gems Across European Royal Courts and The Fabled Jewels of the Savoy Queens of Italy: The Fascinating Reminiscences of H.R.H. Prince Dimitri of Yugoslavia and The Inspiration of Ancestral Gems on Jewels Prince Dimitri's captivating presentation explores the magnitude and significance of the collection of jewels worn by Prince Dimitri's ancestors and their influence on his own designs, inspired by his family's unparalleled jewelry as illustrated in his recently published book "Once Upon a Diamond: A Family Tradition of Royal Jewels" (Rizzoli).

Prince Dimitri, a historical witness with a unique heritage as a descendent of the great royal and imperial houses of Europe, underscores the symbolic, intertwining relationship between royal jewels, the majesty of monarchy, autocratic power and aesthetics. Following the talk, Prince Dimitri will graciously personally autograph his book for each guest.

The Savoy History Series was founded by Chairman Emeritus Marco Grassi. The current Chairman is John Laurent J. Gelati.

The American Delegation of Savoy Orders with H.R.H. Prince Emanuel Philibert of Savoy, H.R.H. Prince Dimitri of Yugoslavia, with His Eminence Cav. Gr. Cr. Timothy Cardinal Dolan after the Procession and Mass in the Cathedral of Saint Patrick, December 12, 2021

AMERICAN DELEGATION OF SAVOY ORDERS

The American Delegation of Savoy Orders, located in New York City, administers the Savoy Orders in the United States. It is led by a Delegate appointed by the Grand Master, H.R.H. Prince Victor Emmanuel, Prince of Naples and Duke of Savoy. The American Delegate, candidates, members and friends of the American Delegation of Savoy Orders attend the annual Capitolo Generale (Chapter General) of the Savoy Orders, usually held each year in Geneva, Switzerland or in Rome, Italy.

A formal installation ceremony is presided over by H.R.H. Prince Victor Emmanuel of Savoy, the Grand Master. On this occasion, diplomas and insignia are presented to the new members and newly promoted members of the Savoy Orders. The same evening, a formal benefit gala dinner raises funds for the international charitable works of the Savoy Orders. The following day there is a solemn Mass and procession of Knights and Dames in their church robes.

The weekend of events usually concludes with a guided tour of Savoy-related historic sites for the members and guests of the American Delegation. By special arrangement, members and promotions, who with good cause are unable to attend the

installation ceremonies in Switzerland, may be presented their honors in the United States. Each year the Savoy Orders sponsor a number of social activities, anniversary observances and religious services. Activities of the American Delegation include financial support of the fundraising charitable, humanitarian, cultural and educational events of the American Foundation of Savoy Orders, Incorporated. The Delegation also arranges for the Knights and Dames of the Savoy Orders to attend the celebration of Masses during the year: a commemorative Mass and dinner for St. Lazarus Day in February or March and a Mass in December in conjunction with the Savoy Foundation's annual winter reception and dinner dance, Ballo di Savoia.

The American Delegate appoints members of the National Council of the American Delegation of Savoy Orders, which meets semi-annually to assist him with administration of the Savoy Orders in North America. The meeting includes reports from the Vice Delegates, special Project Coordinators and Regional Representatives about the organization and activities of the Savoy Orders in their respective geographical areas, as well as planning for support of the Delegation's and the Savoy Foundation's events and programs.

The Dynastic Orders of the Royal House of Savoy are among the oldest orders of chivalry in the world. Their origins and their principles, traditions and humanitarian goals, like those of Royal House of Savoy that has the hereditary right to confer them, date back a thousand years.

25th Annual Royal Savoy Ball

The 2022 Chapter General (Capitolo Generale) of the Dynastic Orders of the Royal House of Savoy, the annual international reunion and assembly of the members of the Savoy Orders from 38 international delegations, was held in Geneva and at the 1500 year-old Abbey of Saint Maurice d'Agaune in the Swiss Alps (October 7 – October 10, 2022). Bringing together over 400 dames and knights from all over the world, from Italy, Japan, the United States, Canada, Spain, Malta, and many other nations, the Chapter General was an intense three days celebrating the jubilee of the 450th anniversary of the founding of the Order of Saints Maurice and Lazarus.

In 2019 the Savoy Foundation USA launched a new philanthropic initiative - Chivalry for Children's Causes. With funds raised at the 2019 Notte di Savoia Los Angeles Gala Dinner, a major grant was presented to Caterina's Club. The Southern California based charity provides meals, housing, and job training for disadvantaged children and families. Through a generous donation by the Mark Pigott Family, the Savoy Foundation in December 2010 established the Savoy Orders Pigott Scholarship Fund, supplemented by the Family's additional generous contributions in November 2011 and 2012, to provide scholarships to college students for studies in the Humanities and International Affairs.

In 2013, the Foundation established the Chivalry Award in recognition of outstanding service, generosity and civility in our society which reflect the noble and ancient chivalric traditions of the Dynastic and Hereditary Orders of the Royal House of Savoy.

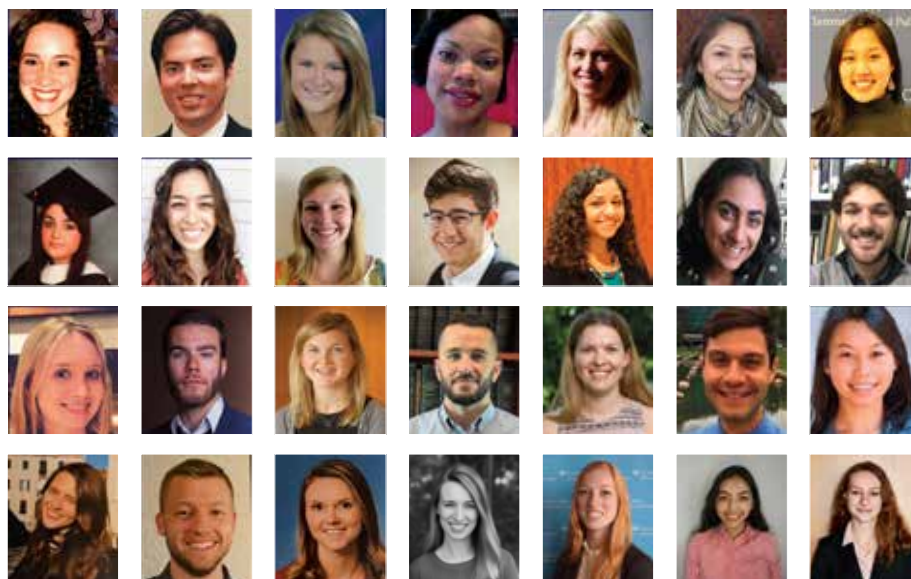

Savoy Orders Pigott Scholarship Awards Recipients Academic Year 2022 -2023

The Savoy Orders Pigott Scholarship Awards were established by a gift from industrialist and philanthropist Cav. Gr. Cr. Mark Pigott. Scholarships are awarded annually to college students for study at accredited academic institutions in international affairs and humanities studies: archaeology and classical antiquities, language, literature, culture, history, politics and society.

Recipients of the International Affairs Scholarship become interns to the Savoy Foundation’s representatives at the United Nations and will attend NGO briefings at the United Nations. Mr. Pigott is chairman and chief executive officer of PACCAR Inc., a Fortune 150 global technology company based in Bellevue, Washington. Mr. Pigott shares, “These scholarships will nurture education, particularly in the humanities as a starting point for careers in business, education and politics. They will provide an opportunity for young men and women to learn about other cultures and the benefits of collaboration in charting solutions to global challenges that will benefit all parties.”

The scholarship program is administered by the Board of Directors of the American Foundation of Savoy Orders and its Scholarship Selection Committee. Awards are granted without regard to race, color, creed, religion, gender, disability or national origin.

I am the face behind each one of your Ballo Journal ads

Based on our phone calls, I design and graphically produce every personalized ad. I would like to give a heartfelt shout-out to my friend and colleague Larissa Van Duser, *Executive Director of American Foundation of Savoy Orders*, whose superb editing, and attention to detail has made the Ballo Journals so exceptional.

As the Ballo Journal Chair, I deeply appreciate your support! The Ballo Journal spans over 20 years, 17 glorious issues, each over 60 pages, complete with art, photography, and detailed graphic design, along with over 1000 of design pages, which Larissa and I made possible.

We published three Savoy history books, the Savoy Orders video, created a "You Tube" channel, a 2020 Ballo di Savoia virtual video and a virtual Savoy History Series lecture.

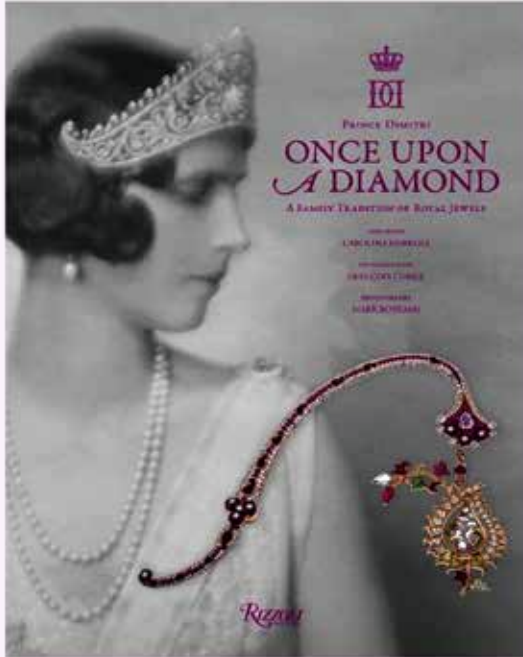

*Please help me celebrate the magic of my fingertips!
The 25th Annual Ballo di Savoia, the SILVER JUBILEE, holds a special place in my heart!*

Tonight, we celebrate many fond memories with great hope of future prosperity and the ability to help the sick, the poor and those in need. I look forward to the coming years with your continued generosity and support.
